

THIRD-PARTY FEES — SET BY THE CREMATORIUM, NOT BY VALENTINES

Crematorium Fees

Crematorium fees are set by the crematorium operator rather than by Valentines. We publish the price information supplied by the crematoria local to each branch, including their standard attended, reduced-fee attended and unattended services where offered. We pass these fees on at exactly the price we are charged.

Service lengths and permitted times differ between crematoria, so a reduced-fee service does not mean the same thing at every one. Saturday, Sunday and bank holiday services cost more at every crematorium listed. Most crematoria make no charge for the cremation of a child.

We will identify the applicable crematorium fee separately in your written estimate.

Fees are those published by each crematorium operator for 2026 or 2026–27 and are correct at the date shown. They are set by the operator and can change without notice. Valentines passes these fees on at cost and adds nothing to them. This document sits alongside our Standardised Price List, which is published separately.
